# RAGTIME GETAWAY

**JULY 30-31, 2012**

Step back in time aboard one of the country's only operating overnight paddlewheelers as it travels the Illinois River Valley between Peoria and the Starved Rock State Park. This famous two-day, 150 mile, all-inclusive round-trip excursion features a night at the scenic Starved Rock Lodge in Utica, IL. Wonderful buffet-style meals are provided, including a prime rib dinner!

Throughout the day, Sue Keller, Adam Swanson, Faye Ballard, and Ted Lemen will be performing so there's never a dull moment. The Spirit's own riverlorian brings to life the history of the Illinois River through a delightful mix of stories and historical facts.

The whistling notes of the calliope will put a smile on your face as they fill the air and drift through the valley. Once at Starved Rock State Park, you'll have a visit from Mark Twain himself as he entertains in the Great Hall. If you're ready to put relaxation in your vacation, consider Starved Rock and a trip on an amazing riverboat. It's what you're looking for.
